Dedication

This book is dedicated to the 183 soldiers of the Confederate States of America buried in St. Johns County, Florida. *Gone but not forgotten.*

Acknowledgments

This endeavor would not have been possible had it not been for the tireless work of Colonel (Ret) John Masters Sr., past commander of the General William W. Loring Camp Sons of Confederate Veterans and LTC William Baya Chapter Military Order of the Stars and Bars. He has spent many years of meticulous research on the Confederate Veterans buried in St. Johns County and the State of Florida.

I also wish to express my gratitude to Mr. Howard Strickland, Legionnaire of the William W. Loring Camp Sons of Confederate Veterans and Mrs. Sheila Greenleaf, of the Ancient City Chapter United Daughters of the Confederacy, for their assistance in locating the officers buried in the Evergreen Cemetery.

This monument, located in the Plaza, downtown St. Augustine, was erected by the Ladies Memorial Association of St. Augustine in 1872 to commemorate the Confederate soldiers from St. Johns County killed during the war.
